GOLD BULLION.

Ten Million Dollars Received at the Philadelphia Mint.

Not Needed for Current Coinage, But Will Be Stored Away at Present.

The Mint Now Coining Subsidiary Coins to Supply the Demand—The Coining of Eagles Will Soon Begin and Later on Double Eagles Will Be Issued.

PHILADELPHIA, Aug. 23.—The Philadelphia mint has received another shipment of \$10,000,000 in gold from the New York assay office. Half the amount arrived Wednesday afternoon and the rest Thursday. It was all in the form of bullion. The gold is not needed for the current coinage of the mint, but it will be later on, and the facilities for storing it are probably better here than in New York.

The mint is coining mostly subsidiary coins just now, there being more demand for them than anything else. Quarter and half dollar pieces were turned out Thursday. Some gold coins are being coined but not many. Those made lately have been half eagles and nearly half a million coins of that character are now out ready to be stamped. The coining of eagles will soon begin and later on double eagles will be turned out. The press for use at the Atlanta exposition in coining souvenir medals has been packed ready for shipment.

SALE CONFIRMED.

The Members of the Whisky Trust Have Until Tuesday to File Their Objections.

CHICAGO, Aug. 23.—Judge Seaman in the United States circuit court Thursday afternoon confirmed the sale of whisky trust property made by Receiver McNulta to the reorganization committee with the proviso that the parties opposing the confirmation be allowed until Tuesday morning at 10 o'clock to file their objections to the confirmation and be heard on them. He said his course would be to overrule all the objections unless they were more substantial than those Thursday for counsel for Greenhut and Morris. Four hours and a half were required for arguing the case. The objectors were represented by six attorneys, while Levy Mayer appeared for the reorganization committee. Mr. Mayer pointed out that the time was rapidly approaching when the new company would have to commence making its cattle feeding contracts, and it was advisable that the sale be confirmed as soon as possible. The objection that the rights of the minority were not being conserved was made by counsel for Greenhut and Morris. This order of confirmation, which will date from Thursday, puts a damper on the attempt now being made in New York to block the progress of the American Spirits Manufacturing Co. Master in Chancery Booth filed a sworn statement, testifying to the ownership of the property.

SHOT TWO MEN.

A Third One Badly Beat Up With His Gun.

TOLEDO, O., Aug. 23.—A shooting affray occurred at Rattlesnake Corners, about six miles west of this city Thursday evening, in which one man lost his life and two others are now lying at death's door. The three men had left this city for the Corners to have a night's amusement, and at once went to a saloon owned by Fred Behrendt. They were somewhat noisy, and the saloonkeeper ordered them from his place. They walked to the sidewalk, and again attempted to enter the saloon, when they were met with a charge of buckshot fired at their heads by the saloonkeeper. Mike Welch, a bartender, who was in the lead, received the greater part of the charge in his head, tearing away a portion of the skull, from the effects of which he died shortly after. Nelson Seymour, a bicycle assembler, also received a serious wound in the head, and a third member of the party, Henry Winters, a liverman, was beaten over the head with the stock of the gun, and now lies in a critical condition. Behrendt has been arrested and held on the charge of murder.

The Candidates at Mayfield

MAYFIELD, Ky., Aug. 23.—Mr. Hardin and Mr. Bradley met again here and addressed a crowd of about 5,000 people. Mr. Hardin had little to say on the silver question, only referring to it during the last ten minutes of his speech. He briefly reaffirmed the position taken at Louisville and answered Mr. Bradley's question as to the kind of senator he would appoint, should it become his duty as governor to appoint one. He merely said he would appoint a man who would "stand squarely upon our last national platform," and "preserve a perfect parity between all our money." The candidates will speak at Hopkinsville Friday afternoon.
